Contractors Seek New Opportunity

Over the past year a number of our building contractor customers have changed their focus from new home construction, additions and remodels to foreclosed home "asset preservation". This new type of business has exploded here in the Tampa Bay area as banks and mortgage companies seek licensed contractors to clean-out foreclosed homes, clean-up exteriors and make needed repairs. Alpha Dumpsters has partnered with many local contractors to provide dumpsters. Additionally, Alpha Dumpsters works with its customers with hard to dispose items like tires, appliances, chemicals and cleaning supplies. Once the home is ready to rent or sell, the contractor typically stays on to keep the property maintained until it is sold or rented. This is a great example of businesses creatively adapting to the current tough economic times.

Wal-Mart Construction Creates Jobs in Tampa Area

Wal-Mart's continued success allows them to build new stores and remodel older ones here in Pinellas, Hillsborough and Pasco counties.

Alpha Dumpsters recently supplied dumpsters for the new Wal-Mart grocery store in Clearwater, the remodel of the Wal-Mart store in Zephyrhills and the remodel Wal-Mart store in Dade City. All 3 jobs were completed prior to the holiday season. A new Wal-Mart has just broken ground in Largo and a new Wal-Mart just broke ground in Land 'O Lakes at the intersection of Dale Mabry Highway and Highway 41. Two store remodels will begin soon at the Wal-Mart in Dade City and the Wal-Mart New Port Richey where Alpha Dumpsters is furnishing dumpsters at each location.

The Home Depot Dumpster Rentals

The Home Depot has a dumpster rental program that allows contractors and individuals to rent small, medium and large dumpsters for demolition, construction, home clean-outs or yard clean-ups. Alpha Dumpsters is The Home Depot's exclusive supplier of dumpsters for this program in Pinellas, Hillsborough and Pasco counties.

There are a total of 21 Home Depot stores in the Tampa Bay area. In each store, you will find counter displays at the Contractor Services Desk and in Tool Rentals with information about renting a dumpster. At most stores, you will see a small 10 yard dumpster in the parking lot for display purposes. By calling 1-800-HD-DUMPSTER,

they will walk you through the simple process of selecting the right size dumpster for you and getting it delivered when you need it.

Tampa Hard Rock Hotel and Casino Plans a Major Expansion

In this tough economy, gambling seems to be doing well. The Seminole Tribe of Florida, owner of the Hard Rock Hotel and Casino in Tampa, plans to spend \$600- to \$800-million on the expansion. Plans include a new 22 story hotel tower with up to 1,000 rooms, 3 times the current capacity.

Plans also call for 50,000 square feet of meeting and convention space, 6 restaurants, new parking garage, more gambling space, 3 new pools and a 1,500 to 2,000 seat music venue. Work is scheduled to begin at the end of the year.
